Green Mountain Draft Horse Association

Spring Driving Clinic April 23 & 24, 2022

Shelburne Farm's Breeding Barn

jean@greenmountaindraft.org

Saturday– Learn the basic of draft horses, how to harness, ground drive, and safely hook to a cart, focusing on safety working around large horses.

Sunday– Spend your time driving and using the skills you learned on Saturday or in a previous GMDHA driving clinic. This day will be spent in the carts and the wagons working with an obstacle course and driving around the farm.

Hands-on Beginner Driving Clinic. Come learn to drive draft horses from experienced teamsters. We will have single and double setups. Feel the difference in driving one horse versus two. Lunch will be served both days and a light breakfast will be offered. Space is limited so sign up early!
